Introduction

Chandan is part of the Capital Markets and Securities Law Practice at the Firm. He advises clients on fund raising through initial public offerings, regulatory and listing compliance, and general corporate compliance, including conducting due diligence, drafting and reviewing documents, handling negotiations, and ensuring regulatory compliance.

Chandan has advised on some of the biggest IPOs in India and works with a diverse range of clients across industries, including technology, manufacturing, automotive, and deep tech.

Our Practitioner's experience includes:

- Advising Inga Ventures Private Limited and Equirus Capital Private Limited, the book running lead managers on the initial public offering of Divgi Torqtransfer Systems Limited, aggregating to over INR 4,000 million.
- Advising Centrum Capital Limited, Emkay Global Financial Services Limited, and Keynote Financial Services Limited, the book running lead managers on the initial public offering of J.G.Chemicals Limited, aggregating to over INR 2,500 million.
- Advising and acting as legal counsel to the issue for the initial public offering of Jyoti CNC Automation Limited, aggregating around INR 10,000 million.
- Advising as legal counsel to the issue of the initial public offering of Arkade Developers Limited aggregating over INR 4,000 million.
- Advising as legal counsel to the offer for the initial public offering of Orient Technologies Limited aggregating over INR 2,000 million.
- Advising as legal counsel to the offer for the initial public offering of Netweb Technologies Limited aggregating over INR 4,000 million.
